Al Ross

A joke at an assembly, a smile in the hall that helps to brighten a day, taking the time to laugh, to listen, to care, to understand.

Mr. Ross, you have become involved with us; a part of us. You're interested in where we're headed, what our future will bring.

You have shown us concern—not only as a part of your job, but because you want to. In your efforts to understand us, you have helped us to grow. You have made our present richer and our future brighter.

Thanks

I love
you too long, and I hope
you will make the short
times we've talked
to be a very long one.
Your friend
is not a very good friend.

*You're the light of the world
Shining bright, reaching high
You're the hope for each tomorrow
Bring the dawn to light the sky.*

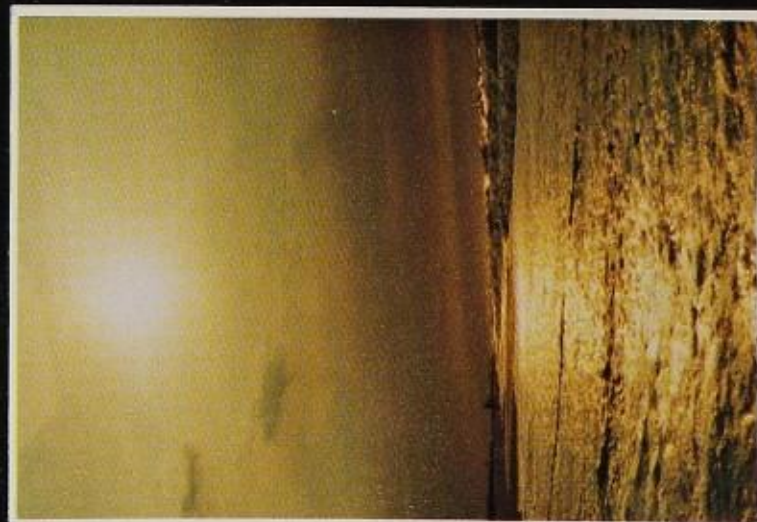

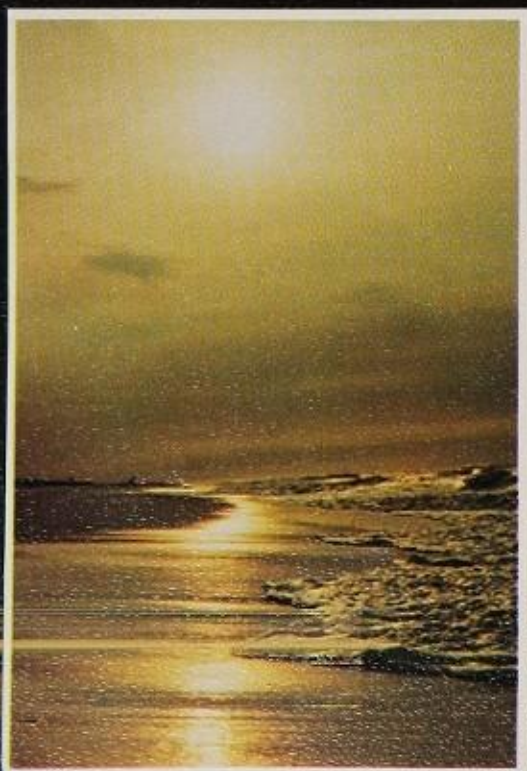

*You're the salt of the earth
You're its smile and its song
You're the fool
who still believes in dreams
Who will take a chance to right a wrong.*

*You're the hope
for each tomorrow.*

sternly is for those
who find life
and you shall
find each in
time

To me the 12 yes
and the 12 no
I shall know
you love
always.

*You've got to get up every morning
with a smile on your face*

*And show the world
All the love in your heart . . .*

*I guess it gets to everyone,
you think you're not having any fun
And you wonder what you're doing
playing the games you play.
Hey, it's true what they say
if you want to feel complete,
don't you know that you've got to take
the bitter with the sweet.*

Senior Year

*There's no such thing as goodbye . . .
There's only a look, there's only a sigh:
The inevitable June and the lonely July,
Your desperate eyes that demand to know why.
But believe me, there's no such thing as goodbye.*

Miss Uniondale, Diane Reitmayr

As we approach the close of this school year, one phase of our life is coming to a finish while yet another is soon to awaken.

The many Senior events of this year will always remain a part of us. The Carnival and Square Dance, Miss Uniondale Contest, Alumni Reception, Holiday Fund Raising Drive, Donkey Basketball, and, of course the biggest events, the Senior Trip to Pinegrove Resort Ranch and the Senior Prom at Narragansett Inn are a few of our happiest and most memorable events.

Nothing would have been possible unless Mr. Greggo, our senior class advisor, the class officers, the Senior Service Committee, the teachers and the administration had always been willing to give their time to help and support us in everything we tried to accomplish.

Mr. Walter Goldstein

The Signature '75 staff, headed by an Operations Committee of nine people found this year's book quite a challenge. The subject to be brought across was that of rebirth a kind of new beginning. At times we found it hard to express what we really wanted to get across; what we really wanted to say. But through the ideas and talents of many different people, and with the help of our advisors, Mr. John Lyon, Mr. Walter Goldstein, and Mr. Edward O'Brien, we hope that we have succeeded in presenting a book that has captured our theme through the quotes, pictures and artwork of rebirth.

We are in agreement that
students should have a choice in
their curriculum, but the
problem as we see it is not one of
choice, but of the students not
attending their Physical
Education classes. We feel that it
is just an excuse that a student
uses for not attending. We, in the
Physical Education Department,
are happy to hear from students
as to what they would like in their
program and, if we feel that they
would be worthwhile changes or
additions, they would be made.

The students must understand
that Physical Education is a
course that is mandated by the
New York State Board of
Regents. It is our job to see that
each and every student fulfills
this requirement. In helping you
to fulfill this requirement we
offer a varied activity program,
many of which can be used in
your leisure time long after you
are out of high school.

In conclusion, we feel that any
student who uses the excuse of
not coming to class because we
do not offer what they like, is a
cop-out, and we will do our ut-
most to get you into our classes.
Our door is always open and we
are willing to listen to any

Café de la paix

This explanation of a cafe could
be found at the French Club's
opening of their own cafe. The
idea of a French cafe was an
original one conceived by Mrs.
Ellen Silverman (formerly Miss
Reznick). On Wednesday,
December 18, during periods 4, 5
and 6 the French Club opened its
cafe doors to the faculty and
language students.

The atmosphere and decor
impressed many of the diners.
Murals of typical scenes in
France were drawn by Dave
Kertzner and Keith McKinney.
French music played softly in the
background while diners sat at
tables covered with red and white
checked tablecloths. Waiters and
waitresses were on hand to take
orders and promptly returned
with the food.

SPORTS

Volleyball Champs Undefeated

by Candy Warnock

The Uniondale varsity volleyball team defeated Sewanhaka (15-9, 15-2) to win the League III Championship and maintain their undefeated record. Members of the championship team are Marva Sterling (the only senior), Kathy Koshansky, Anne Taravella, Daina Ledins, Carol Jensen, Pat Diven, Jeanne Powell and Gayle McDermott.

Not only did the girls win the league championship, but they also went undefeated for the season! The team had eleven straight victories, defeating teams such as Floral Park, Port Washington, Carey and East Meadow.

Anne Taravella (13) sets for Pat Diven or Kathy Koshansky (22).

A Dark Horse

by Michael Giordano

Gymnastics is a beautiful and demanding sport which requires many talents on the part of the gymnast. A good gymnast must possess strength, flexibility, endurance, balance and grace. Gymnastics is perhaps the most difficult of all sports. This year's team is made up of both experienced and inexperienced girls. The girls compete on four different pieces of apparatus: the balance beam, the vaulting horse, the uneven parallel bars, and on floor exercises.

The balance beam is considered the most difficult of all the pieces of apparatus as well as being the most dangerous. It is a four-inch wide beam which stands four feet off the ground. On the beam, the gymnast is expected to perform as if she were standing on the floor; never is she to look down at the beam. Julie Mathews and Gini Lillich of Uniondale practice many hours on the beam in order to perfect their routines.

The vaulting horse is another difficult piece of apparatus to work on. It involves flying. Yes, flying. The gymnast must pick up enough speed in order to assure a high take-off. The horse is then used as a medium by which the gymnast can perfect her vault. It is a very complicated balance of speed, height, and coordination which insures a good vault. All the girls on the team work on vaulting.

The uneven parallel bars are perhaps the most familiar to people. It is only a short time ago that Olga Korbut astonished the world with her miraculous feats on the "unevens." Performing on the "unevens" involves swinging from low to high bar in a flowing motion. A gymnast on the "unevens" is in constant motion from mount to dismount. Performing on the "unevens" is Jane Dorler. Jane picked up valuable experience last year by competing against other schools.

The fourth and most beautiful phase of gymnastics is floor exercise. The gymnast's routine is performed to music and her interpretation of the music is one of the basis for her marks. Barbara Bruno and Sharon Farrol will be participating on floor exercise along with Pat Robertson and Kim Hardemann. Coach Finnigan's experience in modern dance has tremendously helped the girls on "floor ex." It is only with a good ear for music and rhythm that a floor exercise can properly be assembled. Coach Finnigan seems to possess both these talents.

Perhaps the most special gymnasts are the all around girls. They must perform at all four phases of gymnastics. It is four times as difficult for them simply because they must practice four routines and not only one. The all around girls for Uniondale are Kathy Smith and Amy Schiltone.

Other members of the team include Ginger Cipos, Bernadette Biehl, Dee McKee, JoLynn Riley, Noreen Higuchi, and Lillian Sidana. With much practice the team could be quite good. The first meet was February 24 against Calhoun at home.

Girls sports have been extremely successful at Uniondale High. In fact, it is fair to say that the girls have built up a dynasty in such sports as volleyball, softball and basketball. This year's basketball team consisting of only two seniors is very strong.

The lineup includes Jeanne Powell, Barbara McCormick, Carol Jensen, Chris Powell, Mary Prial, Elizabeth Friedel, Louise Covar and Pat Brennan.

The team so far has posted a record of 5-0, beating such teams

Washington, they outscored the opposition 81-17. Pat Brennan led the scoring with 22 followed by Chris Powell with 20, and Barbara McCormick with 14.

The girls also field a J.V. team which has had as much success. They won two games on their own (Kathy Koshansky scoring 14 points against Malverne) and helped Varsity out in two others. The J.V. squad consists of Anne Taravella, Trisha Knowles, Lynn Smith, Kathy Koshansky, Ronnie Priestler, Daina Ledins, Gen Bovane, Kathy Brennan, Gayle McDermott, Regina Gunderman, Dore Bell and June Pappas.

Sophomore Class

In October, the Sophomore Class had a very successful car wash. The proceeds were spent on supplying a Christmas dinner and short food supply for a needy family. They ended 1974 with sales of gum and posters. This gave them a head start on 1975's candy sale. The sophomores hope to have at least one more car wash this year.

THE SPIRIT OF '76

The Junior Class is going all out for our country's Bicentennial Celebration. Activities planned for 1975 were: formation of the Uniondale School and Community Bicentennial Commission, changing of the Class Ring Mode, Bicentennial Class Trips — Washington D.C., and Bethpage Restoration, designing of the Uniondale Bicentennial Emblem used for our flag, bumperstickers, buttons, and iron-on patches, production of three Bicentennial Coloring Books, Film Festival on American History. The Class has been trying to promote an interest in the Community as well as the school by giving speeches to different organizations and to the different departments in the high school. We would heartily like to wish the seniors the best of everything and hope that they will return for our many scale projects in 1976.

As graduation 1975 approaches, we reflect on the special senior events of the year.

It all began in October with our highly successful Carnival and Square Dance.

In November, a new Miss Uniondale, Diane Reitmayr, was crowned, as well as having an entertaining afternoon at the Alumni Reception.

During the holiday season, enough money was raised to buy groceries for two families for a special holiday dinner. In Donkey Basketball, the faculty surpassed the students in scoring, but an equally good time was had by all. But the most memorable events for us were the ones for seniors only: the Senior Trip to Pinegrove Resort Ranch in March and the Senior Prom held at the Narragansett Inn.

To everyone that made our year possible, especially Mr. Greggo, our Senior Class advisor, we extend our sincere thanks.

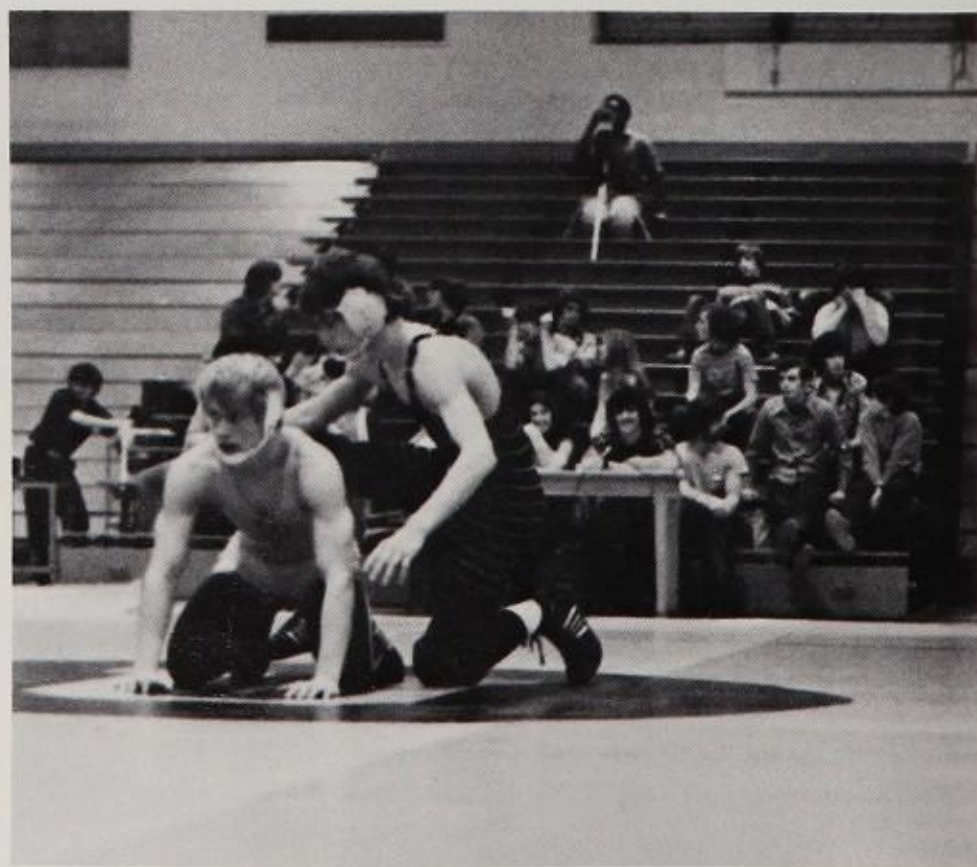

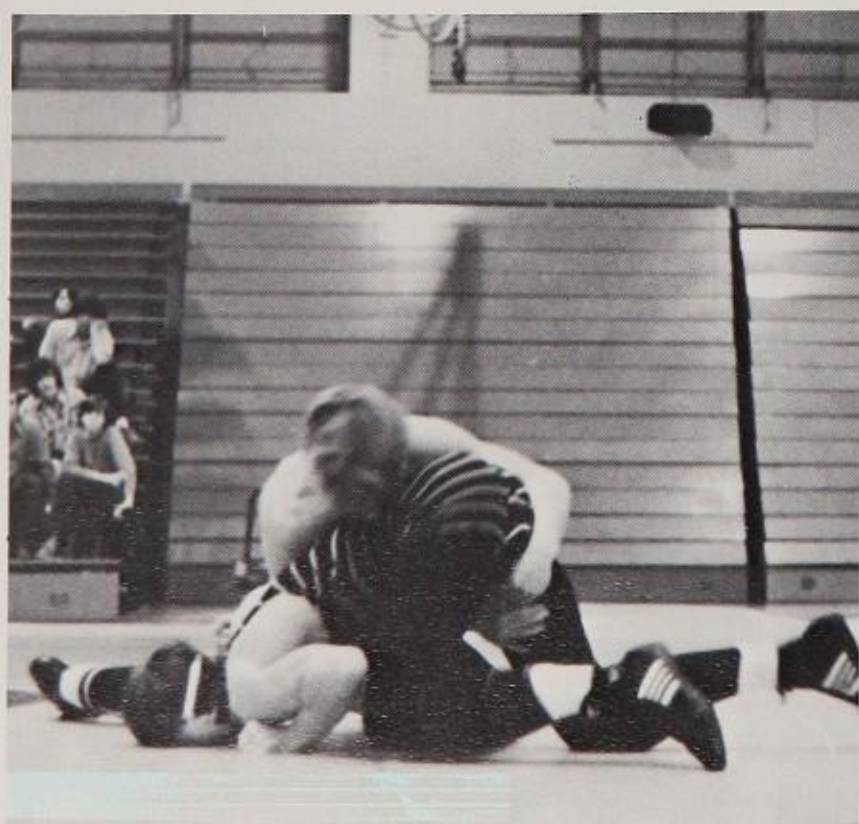

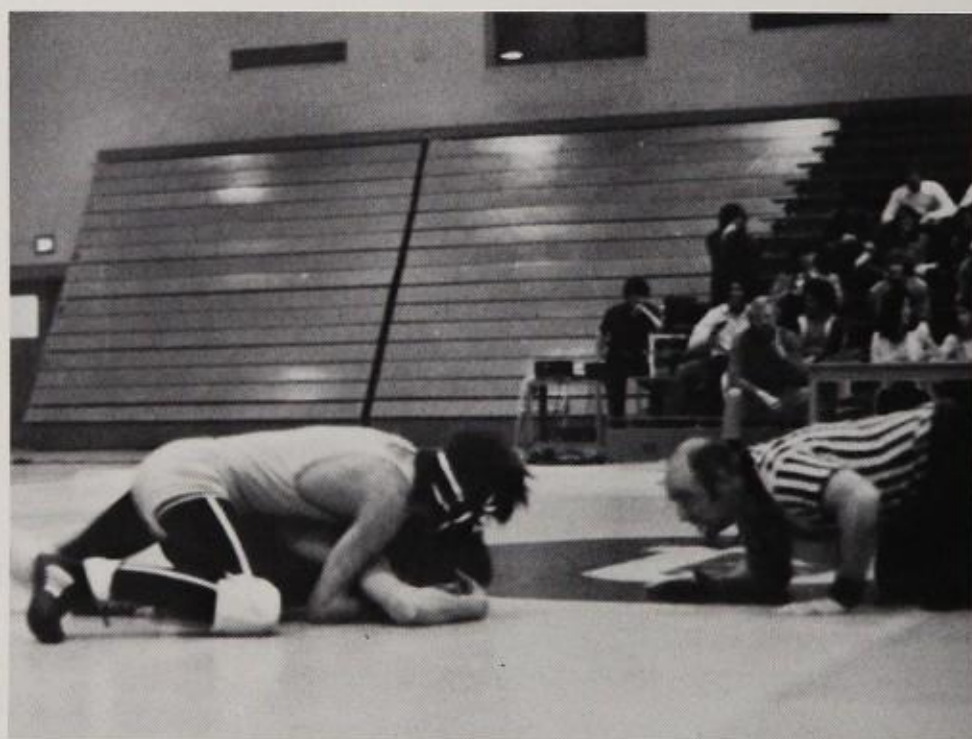

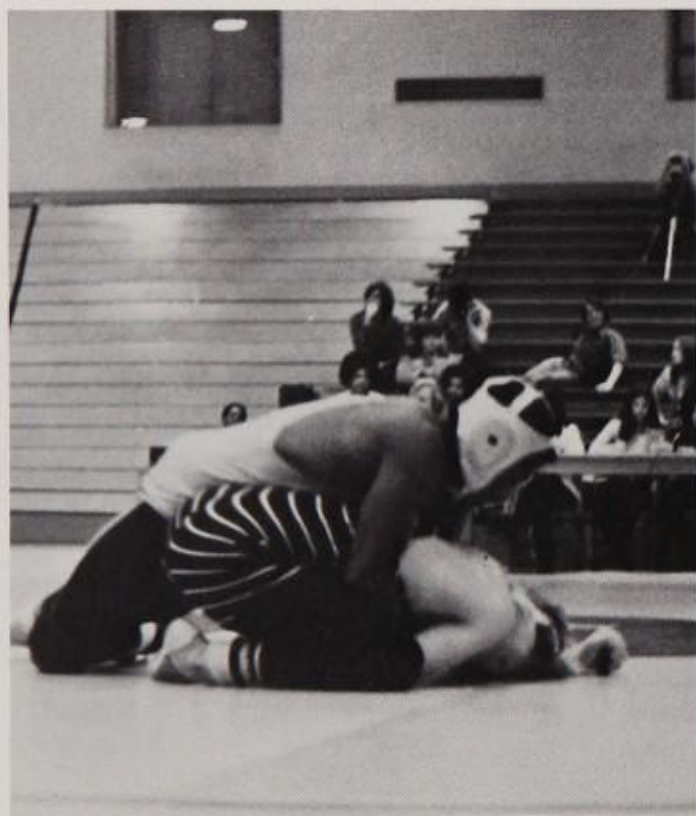

SPORTS

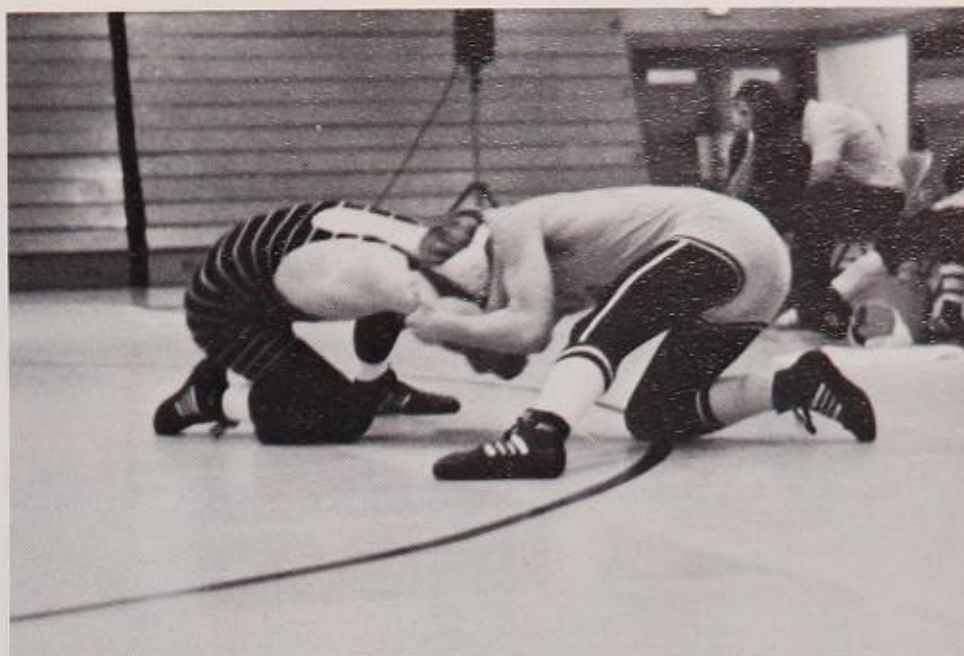

Wrestling

This year's wrestling team ended with an even season of 6 wins and 6 losses. Team captains were Louis McKee, Alton Rose, Stanley Ralph, and Malachi Funderburk. Stanley Ralph was undefeated with a 5-0 record. Considering the complications of weight control and pain involved in wrestling, the team's record was a respectable one.

Soccer: This Year's Season A Great One.

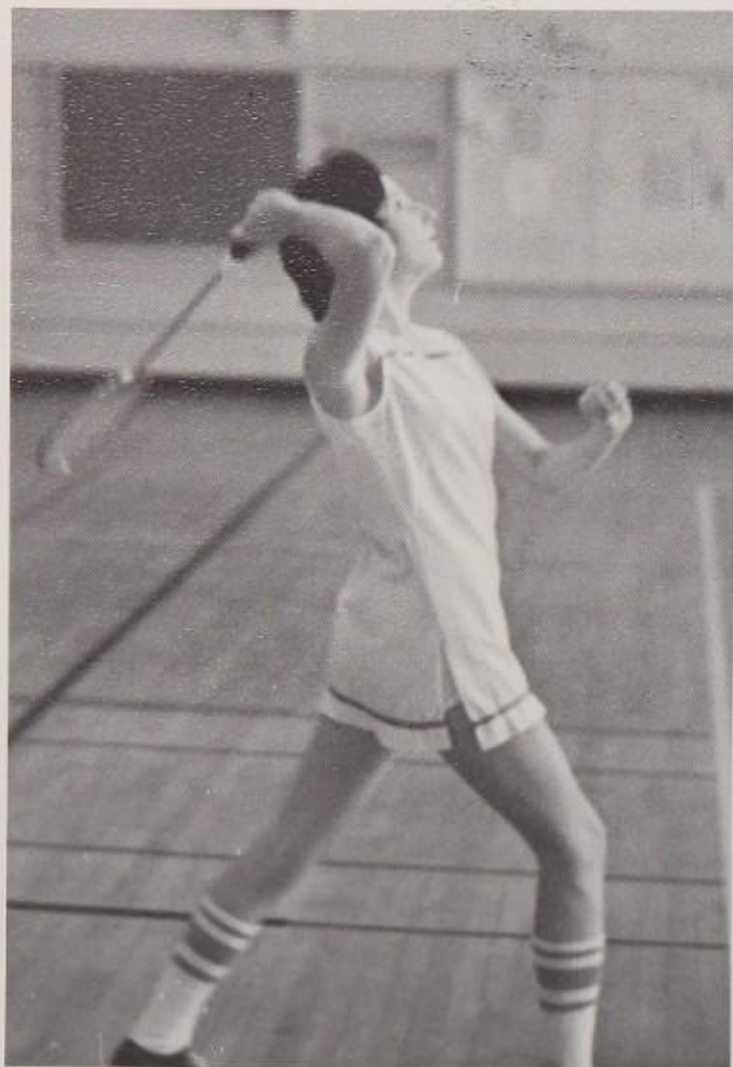

After five years of being a varsity sport, the 1974 soccer team was extremely successful in their attempt to better last year's good record. Their 14-3-1 season was highlighted by their 1-0 victory over Oceanside, the Nassau County Champions for six consecutive years, a victory that eventually led the team to a second place position in the South Shore Division.

This years outstanding players included Wayne Beckford, Barry Donow, Jim Cavuto, Bill Hepburn, Nabil Jaghab, Matt Kaider, Ray Kenchick, Bob Kurolowitz, Andy Ledins, and John Sanacore. Jim Cavuto and John Sanacore made the South Shore all-stars, with Barry Donow representing Uniondale on the all-county team.

Teamwork, leadership, courage and an outstanding effort by every member of the team has made this year's season a great one.

The girls have strong hopes for this year's team and possibly another championship season.

*This year's Rhythmnettes have really been working hard. Not only did they perform in the Newsday Marching Band Festival and in all the football half-time shows, but for the first time in a number of years they are performing at the basketball games as well.*

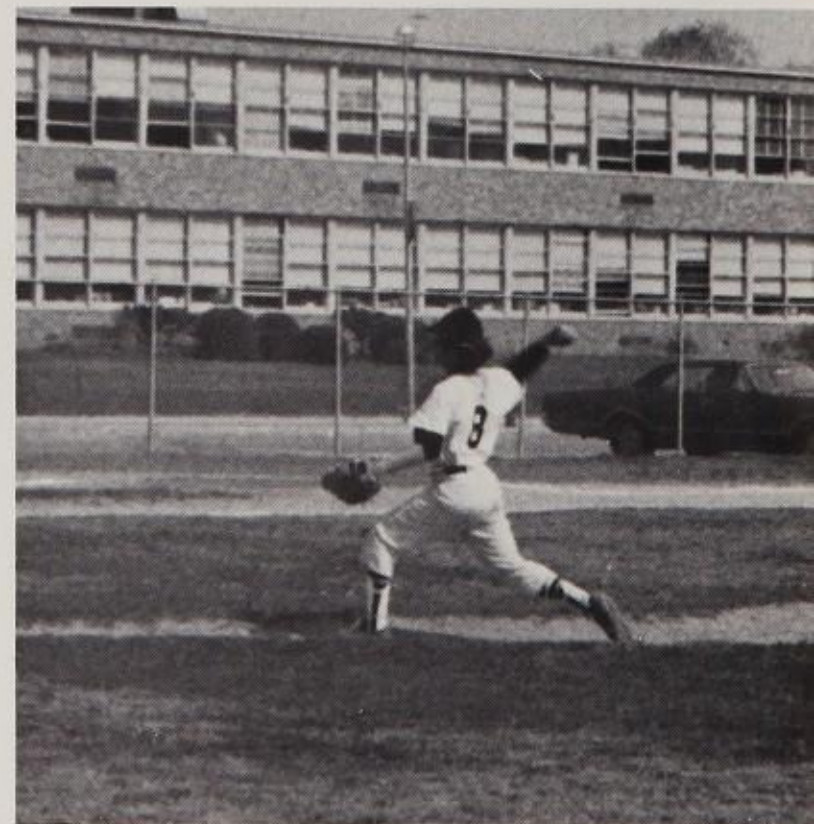

## Knights Look To '75

*The 1974 baseball season at Uniondale was disappointing when the potential of the team was diminished because two of their stronger pitchers, Lenny Bertuglia and Stephen Sylvester were injured and were unable to play. Under the coaching of John Marold, however, the team placed fourth in their league.*

*Under the coaching of Margaret Van Dolson, the girls swim team placed ninth (out of fourteen teams) in the county. The team was composed mostly of new members, two of whom placed in the county finals! Tricia Knowles placed 6th in the individual medley and 8th in the 100-yard freestyle. Anne Marie Taravella placed 8th in the 100-yard backstroke and 9th in the 50-yard backstroke. With next years team composed mostly of experienced swimmers, we hope they'll have a good season.*

Dear Yo

Well I don't know exactly what to write I  
guess you could say I'm lost for words.

I have so much to say and just can't come  
out with it. We've had so many good times  
together and experiences growing up together,  
that I don't think we'll ever really be  
saying good by. No matter how far we are  
from each other we'll still be close.  
It's so great to be like that I mean that  
we really have a love for each other.

I know once we get out and experience  
life on our own that we'll both change  
but I'm sure when we get together again  
we'll be closer than ever because we'll  
both be sharing our experiences once  
again with each other and it will be  
just like ~~the~~ old times.

I hope you enjoy your new experience  
in life and learn a lot and make  
something good out of yourself and I  
know what ever it is you do it will  
be best for you. You've got a good  
head on your shoulders and I don't  
want you to loose it.

Take care  
Be careful  
and watch out for  
all those good looking guys  
Love  
Yo
